

SEVEN DAYS AT THE SILBERSTEINS - Etienne

WALTHAMSTOW INDEPENDENT

To Welgevonden, a huge, self-contained South African estate, comes young Henry van Eeden to meet his bride. In the course of an ornate, week-long house party which is a prelude to the marriage, Henry undergoes a weird, exciting and finally triumphant initiation in

which he turns from a "flawless little robot" to a man, steeped in painful new knowledge, who is capable of both faith and love. SEVEN DAYS AT THE SILBERSTEINS (W. H. Allen, 21s.), by Etienne Leroux, has justifiably earned acclaim by other authors.
