

Le Roux...and son Leroux

MR. ETIENNE LE ROUX, author of the controversial Hertzog Prize novel, "Sewe Dae by die Silbersteins," yesterday received his award at the meeting of the Akademie vir Wetenskap en Kuns in Pretoria. Here Etienne (with beard) is seen with his father, Mr. S. P. le Roux, former Minister of Agriculture, and his mother. In the background is Mr. J. J. Serfontein, Minister Social Welfare and Pensions.
